

THE HILLS ARE ALIVE!

On the 22nd of September, the hills between Uniondale and Plettenberg Bay will rattle and hum with the wheels of 4500 MTB's, as they find their way to the finish line, in the 2024 Lions Karoo to Coast 100km MTB Challenge. One of South Africa's most iconic bike races, this event brings thousands of visitors to our town.

Watch as Uniondale comes alive and everyone gets involved in the spirit of the event. Community members volunteer as marshals, work the aid stations and provide catering for the hordes of hungry cyclists descending on our sleepy village.

The race starts in the arid Karoo, and goes through to the lush Knysna forests over some spectacular passes. From the notorious Ou Wapad between Uniondale and Avontuur, Prince Alfred's Pass and Kom-se-Pad through the beautiful Gouna Forest. It has become an event not to be missed.

The event is owned by the Lions Clubs of Uniondale and Knysna and all proceeds from the event go to Sightfirst, the South African Guide Dog Association and other urgent needs in the community.

THE GARDEN REPORT

HAVE YOUR PLANT PROBLEMS, NATURAL NUISANCES AND GARDENING GAFFES HANDLED HERE!

I am struggling a lot with mildew on many of my vegetable leaves. Neem hasn't worked, and I want solutions I can make up myself if possible. I currently spray a foliar feed once a week and Neem once a week. Please help?

For Powdery Mildew, the best Natural remedy is the following: Mix 5 l water with 2 tablespoons of Bicarbonate of Soda (Kooksoda), 1 Tbsp Paraffin Oil, and 1 teaspoon of DW liquid.

Mix together and spray once a week.

Please share a really good natural fertilizer mix with me?

There is nothing that beats the liquid which is decanted off Red Wiggler worms in a Compost Bin. (Worm Tea) Mix one litre Worm tea with 4 litres water.

Worm tea is a liquid fertilizer made by combining water with worm castings. It acts as a natural insect repellent, improves soil health, and boosts plant growth by providing nitrogen. It contains good bacteria that put nitrogen back into the soil, making it superior to chemical fertilizers.

Worm farms and instructions are available at Free from Nature.

From a Tropical Carrot to a Black Velvet, variety was abundant, along with experience levels and for some - the pure joy of participation. The winner, with a magnificent chocolate cake was Hazel Jumat. It tasted even better than it looked, which is no mean feat.

Congratulations!!!

On a sidenote - an emergency situation necessitated the purchase of a cake made by Thea Coetzee from The Skoonheidsentrum, by Marcel. It ended up placing 2nd in the competition! Congratulations Thea! ❤️

Next month - potjie competition.

The Uniondale Post will be holding a potjie competition next month, at the family market on the 28 september at 12h30. Prize money for the winner. Every entry must have a theme and appropriate decor. RECIPE OF THE MONTH

THE BEST CHICKEN LIVERS PERI-PERI

1 tablespoon butter (the best butter you can find)
 1 tablespoon olive oil
 1 large onion, finely chopped
 1 tablespoon finely minced garlic (2 large cloves)
 1/2 cup red bell pepper, diced
 450g chicken livers, cleaned and trimmed of excess fat
 1 teaspoon salt
 1 teaspoon cracked black pepper
 1/2 tablespoon Worcestershire sauce
 2 tablespoons tomato paste
 1 1/2 teaspoons cumin
 1 1/2 teaspoons smoked paprika
 1 teaspoon peri peri chili powder OR fresh chopped red chili (depends on how spicy you want it!)
 1 tablespoon fresh oregano leaves
 2-3 bay leaves depending on size
 1/4 cup fresh lemon juice
 1/2 cup (min) to 3/4 cup (max) heavy cream - it depends on how saucy you want it!
 1-2 tablespoons brandy
 To serve: fresh parsley and crusty bread with butter.

Heat butter and olive oil in a large skillet over medium heat. Sauté onions for 3 minutes or until translucent, add garlic and chicken livers. Sauté until chicken livers are browned, then add red peppers and sprinkle with salt and pepper. Stir, add tomato paste, Worcestershire sauce, seasonings, oregano, bay leaves and lemon juice.

Cook for 2-3 minutes, stirring until all the flavors meld. It is important so that the lemon juice melds with the other ingredients first, otherwise you may experience curdling.

Lower the heat, add heavy cream and simmer for 5-10 minutes being careful not to overcook the chicken livers. I usually test one by cutting it open and it should still be just slightly pink in the middle. Pour brandy into the pan, sprinkle with parsley and serve with crusty bread.

POLICING UNIONDALE

Op Donderdag, 2024-08-15 het Uniondale SAPD, in samewerking met ander rolspelers 'n pamperlang sessie gehad. Die fokus was om bejaardes en dames uit die gemeenskap spesiaal te laat voel. Dis nie aldag maklik om n vrou te wees nie, en dames het net nie altyd tyd vir selfsorg en n bederfie nie. Tydens die geleentheid was die gaste bedien met n smaaklike 3 gang maaltyd. 😊

Ons het verskeie gassprekers gehad en elkeen het n woord van bemoediging gegee. Geslaggebaseerde geweld is n allerdaglikse misdryf, regoor die wêreld, en nie almal het die vrymoedigheid om daaroor te praat nie. Almal is ook nie ingelig oor die feite of tekens, en of selfs nagevolge van geslagsgebaseerde geweld nie.

Ons moet leer om tyd te maak vir onself en vir mekaar. En ons moet mekaar ondersteun.

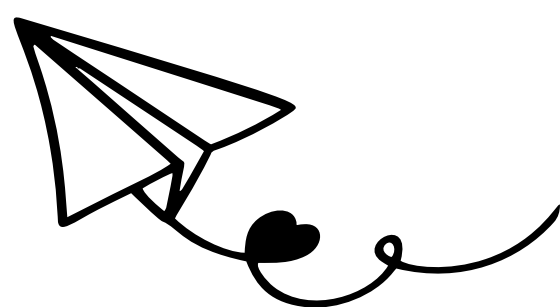

Baie dankie aan al die borge wat die spesiale dag moontlik gemaak het. Onder andere Lions Klub, Davcor, Grace decor, Jozelle, uniep. (verskoon tog indien ons iemand uitlaat). Al die organiseerders, en dan natuurlik ons spesiale gaste. Sonder hulle, sou die geleentheid nie kon plaasvind nie.

Geloof, Hoop en Liefde, maar die grootste hiervan is die LIEFDE. Dit is wat ons elke dag aan mekaar moet betoon.

UNIONS IN THE DALE

Single Afrikaans lady of 58 looking for a single Afrikaans man between 56 and 62. Must love spending time in nature, photography and exploring new places. Must not be lazy or glued to the tv. I want a man to do things with, not to watch me do them. If you have crazy children please do not contact me.
#cutebutquiet

Young - at - heart older gentleman seeks a female companion of independent means, to strike up a friendship and see where it leads.

I work overseas but am home every third month, I would love to have company upon my return. I'm a very good cook and have a respectable wine cellar. #itcouldbeworse

I am a middle-aged man looking for real love. Not just someone that will make me food and clean the house, that's all superficial, I mean someone that I can share my aspirations, fears and feelings with. Couch potatoes are a no-no, I'm looking for that special person who would be willing to get up and go fetch me a cold beer while we're watching our favourite action series. Someone that will hold the umbrella on a hot day while I'm polishing their jet-ski. Speaking of hot, although looks aren't everything, attraction is the essence of magnetism. It's the yin-yang of biology. So preferably I would like someone who is independant, mature, in their twenties or thirties, knows what yin-yang is all about - like a yoga instructor- maybe has a background in modelling or massage and enjoys water sports. #lookingforlove

Are you looking for love or friendship or(not too many saucy details please). This is a strictly confidential place to advertise your sexy self, and find who it is you are seeking. All you have to do is send me 70 words or less describing yourself and what you are looking for. Include an email adress and a pseudonym please. You don't have to use your real name at any point in your correspondence with me.

I will place your ad and if anyone is interested, all they have to do is Whatsapp (074 191 2114) or email me (theuniondalepost@gmail.com) with their response. I will then forward it to the relevant person, if they like the sound of you then they will respond. If not, eish.

HIDDEN TREASURE DISCOVERED IN UNIONDALE

I was riding along the N9 towards the Baviaans and passed right by a sign that said Uniondale, but pushed on. Then I was treated to an unfolding view on my right of a lovely looking town, a green oasis compared to the parched Karoo, surrounded by beautiful mountains. Suddenly there was yet another sign that said Uniondale and I remember thinking " a Union of what? Mountains? All meeting in the dale?"

Of course I'd like to pretend that my decision to visit, and the wonderful experiences I have had in this town was due to my research and discovery of Uniondale's origins and rich history. I could also tell you, the reader, a little story of how I visited Uniondale because I was taken by the spirit of adventure in the quest for new experiences, but the truth is I was overwhelmed by a need for a cup of good strong coffee. Only later did I uncover the true treasure that is hidden in this town. And discovering that treasure has been enough to prompt me to overcome my inertia and write this story down.

Because there really is a hidden treasure in this town and it is this. However highly you think about yourself, however rich or clever you may think you are, no one is impressed by a big city attitude. No one cares about fashion or hairstyles. its all meaningless,

What they care about is are you nice, are you kind, are you a good person? Are you real?

Uniondale is not a union of towns or hills or valleys. It's a union of different people, a people in unity, making the most out of life in a difficult place, together. The hidden treasure is the people I have met, who wont even admit they are the soul of this land, and the glue holding us together

That's what the town means to me, it would be a perfect place except.....

...For the life of me, I still can't find a good cup of coffee. (ANONYMOUS SUBMISSION)

DIERE MANIERE

DIT MAG HUL EET

- **GRONDBOONTJIEBOTTER:** Honde is lief daarvoor en die gesonde vette is goed vir hul hart. Kies die rou, ongesoute produk en vermy die suikervrye, "ligte" een. Pasop vir xylitol.
- **JOGURT:** Die probiotika daarin is goed vir sy spysvertering.
- **SALM:** Die omega 3-vetsure hou sy pels blink en gesond.
- **EIERS (GAAR):** Dit bevat proteïen en ander gesonde voedingstowwe.
- **GAAR WITRYS OF PASTA:** Witrys met opgekookte hoender kan honde beter laat voel as hul maag omgekrap is.
- **MAER VLEIS WAT GOED GEKOOK IS:** Verwyder alle sigbare vet, insluitend pluim-vee se vel. Ook alle bene.
- **HAWERMOUT:** Dis 'n goeie bron van oplosbare vesel, en veral voordelig vir ouer honde wat met 'n vaste maag sukkel.
- **PYPKANEEL:** Dit kan gewrigspyne weens artritis help verminder. Pypkaneel help ook die bloedsuiker- en cholesterolvlakke beheer.
- **PIETERSIELIE:** Sit dit op kos om sy draak-aseem vars te hou.

VERMY DIT

- **XYLITOL:** Dié kunsmatige versoeter is baie giftig vir honde, selfs in klein hoeveelhede. Dit kom in baie produkte voor, bestudeer dus die etiket noukeurig.
- **SJOKOLADE, KOFFIE EN KAFEÏEN:** Hoe donkerder die sjokolade, hoe gevaarliker. Witsjokolade is die minste gevaarlik en baksjokolade die meeste.
- **ROSYNE EN DRUIWE:** Dit kan nierversaking by sommige diere veroorsaak.
- **UIE:** Dis lekker vir jou hond, maar baie daarvan (ook uiepoelier) kan veranderinge in rooibloedselle en anemie (bloedarmoede) veroorsaak. Los ook die knoffel en grasuie.
- **NEUTE:** Dit bevat baie olie en vet, wat onder meer vomering en diarree kan veroorsaak.
- **SOUT:** Gebruik bitter min, indien enige. Groot hoeveelhede kan tot oormatige dors en urinering lei, of selfs natrium-ioon-vergiftiging. Dis veral belangrik om op te let by honde met hart- of nierprobleme, sê Ingrid.
- **SUIKER:** Honde wat gereeld groot hoeveelhede suiker eet, se kans op vetsug, tandprobleme en diabetes vergroot.
- **ALKOHOL:** Dis 'n groot nee!
- **MELK:** Nadat 'n hond gespeen is, sukkel hy om melk te verteer en dit kan diarree veroorsaak.
- **BENE:** "Te veel diere raak siek van bene. Jou hond kan selfs doodgaan as dit in die derms of maag vassit," sê Ingrid. 🐾

Die lekker happie wat jy vir jou hond van die tafel af gee, mag heerlik wees vir jou maar nie so veilig vir jou hond nie.

There is a word in the English language in which the first two letters signify a male, the first three letters signify a female, the first four signify a great man, and the whole word, a great woman. What is the word?

A woman shoots her husband. Then she holds him underwater for over 5 minutes. Finally, she hangs him. But 5 minutes later they both go out together and enjoy a wonderful dinner together. How can this be?
